

# BOOK FUND

The University of Bonn's publication fund for monographs and anthologies can help you to cover the costs incurred when you publish an open-access book. As a researcher at the University of Bonn, you can apply to have your fees (book processing charges) covered.

✓ Publish **books** immediately in open access, also **excellent doctoral theses**

Did you know that ...  
you can publish for free or at a discount with some publishers?

Learn more [↗](#)

## HOW DOES IT WORK?

**1** Submit an application via our online form for books.  
When doing so, please note the funding criteria.

**2** You will receive a message whether your publication will be funded.  
There is a selection every 3 months.

**3** Send us the publisher's invoice.  
Inform us of any delays or rejections.
